### Where in the world is Colwyn Bay.

At the May meeting the club welcomed back an old friend, Professor David Last G3MZY. David first came and gave talks to the club in 1960's and has return quite regularly. The illustrated talk he gave this last month was on satellite navigation. As he explained with GPS, everywhere in the world is now mapped out and with a simple little gadget no bigger than a mobile phone there is no excuse in getting lost. This of course is provided that your little gadget can see at least four of the 32 of the Global Positioning System satellites flying around in space covering the globe.

---

### Correspondence

Correspondence has been received from the RSGB, representative informing members that the RSGB will have a stand at the forthcoming Rally in Llandudno

---

**The next meeting will be held on the Wednesday, the 6th June 2008 at the studio.**  
**CONWY VALLEY AMATEUR RADIO CLUB**

### **2008 ANNUAL GENERAL MEETING**

Minutes of the meeting held on the 7th June 2007 are included with this newsletter.
